## Poinsettia

Nikki Delport-Wepener, ANZEG Invited Tutor

**2 DAYS:** Wednesday 17 and Thursday 18

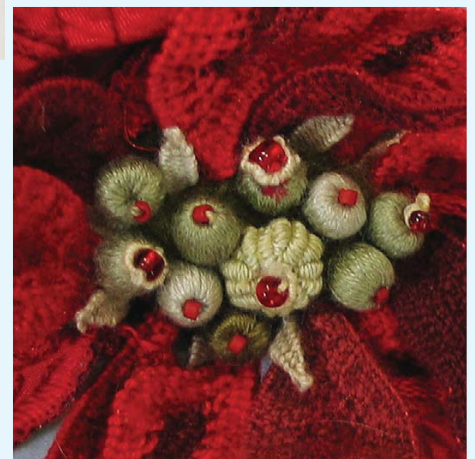

Level: **Intermediate**

Technique(s): Double-sided applique technique, urchin stitch, wire work

Kit cost: **\$121**

### ABOUT THE WORKSHOP

Design and create a perfect 3D Poinsettia (inspired by a magnificent antique painting). A true botanical picture will be created, working from a fine silk background with needle painting, moving into double-sided wired petals and culminating in the centre with needlelace and stumpwork. Students will learn exciting stitch combinations with composite stitches, wrapped beads, photo transfer and silk appliqué, as well as fine thread and crewel stitches, raised embroidery, silk applique, self-supporting 3D stitches and fabric and fibre manipulation. (Sample: 230x180mm).

### ABOUT OUR INVITED TUTOR

*Nikki enjoys designing new techniques, integrating Eastern and Western cultures and mastering techniques from antiquity. She is a qualified school teacher and certified embroidery artist, having trained in freestyle embroidery in South Africa. She has also attended the Royal School of Needlework and City & Guilds (London).*

## WORKSHOP NEEDS LIST

### #202: Poinsettia

Nikki Delpont-Wepener,  
ANZEG Invited Tutor
