ABOUT THE WORKSHOP

This workshop explores and discusses all aspects of the ANZEG Embroidery Modules. Students will experiment with exercises to inspire ideas for creating their choice of module pages.

Two sessions will be put aside to discuss assessing of modules and the selection process for an exhibition. This gives the students valuable insights into assessing their own work. A workbook will be supplied for the student to work in, and use as a valuable reference later.

This class is a combination of the judging course and modules.

ABOUT THE TUTOR

After six years of study through the Embroiderers' Guilds of America, Wendy qualified as a Master Needlework Judge.
