### NEWSLETTER – MAY 2022

Hi Everyone,

Less than 3 months to go so if you or a friend is still considering registering **NOW** is the time to take action. **All registrations close on 29 May.** There is still time to enrol for that workshop you were considering.

There is also time to consider entering the Exhibitions. **Deadline for Entry Form A is 30 April.**

All details on the website: [www.embroiderynz.co.nz/conference2022](http://www.embroiderynz.co.nz/conference2022)

Conference 2022 *Stitch-a-Plenty* will be abiding by the MOH requirements at the time of the event. We ask that you adhere to these, as well as respect those around you, for everyone's well-being and safety.

Attached to this newsletter is the original Conference poster, which does not include Vaccine Pass Required for Entry. We would appreciate you sharing this poster with anyone - group, shop or noticeboard. The exhibitions are showing for a month so, if necessary, there will be plenty of time to return to Tauranga post - conference with family and friends.

We are looking forward to displaying the Guild Banners and Displays in the Merchants Mall from **Friday 15 July (set-up 1-4pm) until Wednesday 20 July (pack-out 2-5pm)**. Now would be a good time to check your banner and ensure it is suitable for displaying. A separate advice will be emailed to all guilds reconfirming Guild Display requirements.

If you have any queries just let us know.
