

CONFERENCE 2022

Stitch-a-Plenty

Hosted by Tauranga Embroiderers' Guild Inc

NEWSLETTER – JANUARY 2022

Hi Everyone,

I can hardly believe I have typed 2022. After years of planning, 2022 has finally arrived – the year of Conference 2022 *Stitch-a-Plenty* in Tauranga. The Conference Committee and Tauranga members are looking forward to seeing you in July.

If you have not registered for Conference I encourage you to do so asap. The programme is varied and hopefully will entice you to tick many of the boxes.

Remember The Embroidery School is open to everyone, so you are welcome to tempt non-ANZEG members to come and perhaps try a new technique. Why not bring a friend and have a 'girl's winter getaway'. Although some of the classes are already full, there are still many options available. To assist with our planning we need you to register now. Classes with low numbers may be withdrawn, so if you are considering coming please register sooner than later to avoid disappointment.

Also don't forget the exhibitions – all but one category is open to everyone so encourage your friends and especially Young Persons to enter.

The quickest way to view all the information is through the website:
www.embroiderynz.co.nz/conference2022

If you have any queries don't hesitate to contact me.
