

CONFERENCE 2022

Stitch-a-Plenty

Hosted by Tauranga Embroiderers' Guild Inc

NEWSLETTER – DECEMBER 2021

Hi Everyone,

A huge thank you to everyone who have already registered. Remember if you have any queries don't hesitate to contact either me or Donna Hardie anzegclp@gmail.com

If you are still making up your mind about which workshop(s) to consider, please be aware the Conference Committee have to analyse class numbers early February, so please register asap.

Especially for those who have never been to Conference before, remember to check out the **whole** programme. You need to register for each event – so easy to do on the Registration Form. Although we would love you to come to everything, you can just select the events you wish to attend.

Perhaps your family would like to give you a combined gift for Christmas – you could give them a big hint!!!

ANZEG and the Conference Committee have carefully considered a COVID-19 Plan in these very unsettling times. Please take the time to read it so you are well informed of the requirements for attending Conference 2022 *Stitch-a-Plenty*.

On behalf of the Conference Committee we wish you all a safe and happy festive season.
