ASSOCIATION OF NEW ZEALAND EMBROIDERERS' GUILDS INC

Canterbury Regional Report September 2026

At last spring has arrived with all its freshness of blossoms, daffodils, lambs, and a sprinkling of spring snow. With only 88 days until Christmas the year end is fast approaching.

ANZEG Green Exhibition commences on 14th October. It has been judged and photographed and the winners will be announced in the next Threads Magazine.

West of the Alps are holding a Friendship Day in conjunction with the exhibition on 24th October in Greymouth. This will be a great day ….. maybe an opportunity to make it into a weekend and combine viewing of the **Green Challenge Exhibition** at the same time.

Photos from the ANZEG 2026 Conference Exhibition and Guild display are now on the ANZEG website. Here is the link to view these. https://www.embroiderynz.co.nz/gallery

The October Threads magazine is out for delivery with information on next years colour challenge. The colour challenge is a great way for those new , and experienced, to exhibit a small piece of embroidery. I encourage you to have a look at the challenge and consider entering a piece. Also there is an article on guidelines for exhibitions and what judges are looking for. Hopefully this will also be helpful to you for planning your piece.

Thank you for your newsletters of guild's news . They are also valuable to other guilds keeping them informed and sharing ideas. I also appreciate seeing and hearing what is happening. If there is something you would like me to attend please reach out and I will try to make it work.

Upcoming Dates

16 Oct- 14 Nov Green Challenge Exhibition, Greymouth
24 October West of the Alps Friendship Day, Greymouth.
31 October Aoraki Friendship Day, Timaru
