ABOUT THE WORKSHOP

The embroidery on this workbag was inspired by traditional embroidery patterns on the collars and yokes of old English peasant smocks. The different regional designs have been simplified and the addition of wool felt appliqué gives the project bag a contemporary look. The embroidery and appliqué will not all be completed by the end of the workshop but all techniques and stitches will be covered and detailed notes will be provided to assist with the construction and completion of the bag.

Jenny is well known throughout New Zealand as an experienced quilter, embroiderer, tutor and designer.
