**September 2025**

Kia ora stitchers,

Pop the kettle on there is a lot to enjoy this month as I have included a video link for you to enjoy.

September has been a busy month with our Exhibition, a big thanks to all those who help make this happen and to all the sitters for their time and engagement with the public, this is such a good way to spread the word and encourage new members to join. Every time I was down there, I heard lots of great feedback so well done. You will all be bursting to find out who the viewers choice was and I would like to announce that was Marilyn Jessen - Under Fiery Skies piece which was number 100. Well done, Marilyn.

I also made a trip up to Warkworth to hand out some awards to Shirley Pygott.

They were the Highly Commended "The Dorothy Clarke Traditional Award" and Winner of "Extensions Award 'Moments in Time'" Shirley was also apart of the Highly Commended the same category with the Warkworth Extensions Group. Well done Shirley 😊

We have East Auckland Regional Day which I am looking forward to on the 11<sup>th</sup> of October and I am also doing a Guild visit up to Doubtless Bay and Whangarei.

Then our Presidents meeting on the 1<sup>st</sup> of November.

## The Embroiderers' Great Escape - 27 -29 March 2026

Hi Ladies,

I'm sure many of you enjoyed seeing our recent Regional Exhibition. We should all be very proud of the work we displayed. I am always inspired by the work of others. Your last opportunity to see the Great Escape samples for 2026 will be at Regional Day on 11<sup>th</sup> October. If you are undecided which class to choose, please chat with myself, another GE committee member or someone within your Guild. Often, we will point out features of a class or tutor that will be suited to your style of embroidery and skill level.

I will bring some registration forms to Regional Day for those who would like to fill one out there.

Our display theme for 2026 is "Opal", please use your imagination and stitch something to display, it doesn't need to be a large or complicated design. I love Opals, they have amazing colours that catch the light beautifully.

See you in a couple of weeks at Regional Day

Cheers Kim
