Memo 142

October 2025

The Regional Exhibition was a huge success. Many regional guild members visited, and we had guild members and visitors from throughout the lower North Island. Our records showed nearly 800 visitors. The work of the junior members was frequently praised and the only negative comment received was the lack of entries. They were down this year. Hopefully, because you are all working on your pieces for Conference 2026!

I am delighted to announce that Helen Cloke won the viewer's choice with "A Distant Learning" - a beautiful piece of blackwork appropriately featuring our Manawatu turbines!

With only one vote less was Stephanie Haisman's "On the road again". Well done both of you. The complete list of winners follows this memo.

Manawatu during this period have had their Workday. There were many visitors from other guilds who as well as enjoying the fellowship of other embroiderers were able to visit the Exhibition. Unfortunately, they were let down by their merchant and Mr Sharp. Manawatu did however have a large amount of stash, so money was still spent!

This has been a quiet month for the Conference 2026 Committee. I am working on a couple of ideas and will get back to you if they go ahead.

How is your mystery stitchery going? I have just finished the pansies and am looking forward to the next instalment. I do enjoy seeing what everyone else is achieving.

Keep stitching.

Gloria Campbell, Regional Rep.

Coming events

22nd September – 17th October ANZEG Colour challenge 2025 -blue. Exhibition Inverlochy Art School, 3 Inverlochy Place, Te Aro Wellington
