## 2025 HAWKES BAY/GISBORNE REGIONAL MEMO – 20 January 2026

### Hello Everyone

Happy New Year. I hope everyone's year has started well and you have been able to get lots of stitching done. I am surprised with the heat that I haven't melted away. I have one more week of holiday time and then I am back to work. My break has gone so fast and I certainly did not get as much embroidery done as I would have liked.

#### Regional Weekend:

Our Regional Weekend in April 2026 is all planned – Saturday 18th April will be a day trip to Wairoa. There is two vans that can be used to pick people up. To go in the vans there will be a cost of \$15 to help contribute to fuel. If you wish to take a car load, it will be up to you to determine the cost per passenger. On Sunday 19th April, there will be a mini workshop – an ORT Tin run by Kerry Seeley at Knightsbridge Masonic Village, 17 Balmoral Street, Taradale. I hope to see many of you there.

**PLEASE RSVP** as soon as possible for whether you are attending one or two days to myself by the end of February 2026 - [anzeghbregion@gmail.com](mailto:anzeghbregion@gmail.com) or 021 435 418.

## Conference Afterclass:

I have had confirmation about what our travelling tutor classes will be and this information is attached. As I only had four people interested – I feel it is too expensive for Amarjeet to travel to our region, therefore, I ask you to attend Amarjeet's conference classes if you wish to be in one of her workshops. There will possibly be a class run in Bay of Plenty Region and possibly New Plymouth should you want to attend.

### Amarjeet Nandhra presents Indian Inspired Textiles

#### ABOUT THE WORKSHOP

This course is inspired by the richly embroidered textiles of India. You will begin by examining a range of traditional techniques including mirror work, hand embroidery and applique. Exercises will help you stretch and redefine these very traditional techniques, and your experiments will leave you with your very own unique, contemporary sample.

#### Techniques you will use include:

- Embellishment – attaching mirrors and found objects
- Applique work – hemmed and sawtooth edges
- A range of surface stitches including (but not limited to) Chain: regular, open, twisted, Herringbone: closed/open; Cretan: closed/open; Raised Satin Stitch; Buttonhole (edges/Filling); and Straight: running, zigzag and surface darning.

#### ABOUT OUR TOURING TUTOR...

Amarjeet is an artist and educator based in West London. She has been creating for over 40 years and teaching for 30 years. Born in Tanzania, she moved to England in 1967. This background, coupled with her Indian heritage, inspires her work. She loves to explore the idea that textiles hold our stories, stimulates our memories, and expresses our beliefs. Amarjeet looks for the hidden meanings of things, seeing beyond the purely aesthetic qualities of textiles. Her aim as a tutor is to celebrate tradition, yet help others to create a new, relevant contemporary dialogue within their stitched works.
